	<b>Annual Point Score Rules</b>		
	<b>The points given to plants at our monthly benching are as follows:-</b>		
	<b>First - 5 points</b>		
	<b>Second - 3 points</b>		
	<b>Third - 1 point</b>		
	<b>One point will be awarded to a member for benching in a class, no matter how many plants you have benched in that class</b>		
	<b>Points will only be given to plants worthy of benching and is at the discretion of the Show Marshall. This is to stop members benching plants just to gain extra points towards their point score for plants that are of an inferior standard</b>		
	<b>e.g. flowers past their best, insufficient flowers open on spike, virus etc.</b>
